

STRATOS CORPORATE PROGRAM

Director Rewards

Bring a little excitement to the traditional company car perk. Use one day usage periods or full memberships to reward and inspire directors of your company. An exclusive incentive opportunity that even high earning directors will get excited about.

Use Stratos Corporate to:

- Reward achievements of company directors
- Project a successful image to colleagues and clients by having an appropriate car available for key meetings and events
- Encourage a healthy work and life balance by encouraging leisure time

Case Study

XYZ Inc has 2 senior directors and 5 associates.

They wanted to have an occasional vehicle that would be a treat to drive and also be appropriate for certain meetings with their clients.

The reward

- A corporate membership was established for XYZ which utilizes an account that is debited for each individual usage.
